Call for Papers

Kuroshio Science Vol. 16, No. 1: Special Issue of 14th International Kuroshio Science Symposium on November 13-14, 2021 at Kochi University (online), Kochi, Japan

We cordially invite scientists, researchers, students and professionals from country members of the Kuroshio region, especially the participants of the 14th International Kuroshio Science Symposium to submit your manuscripts to our *Kuroshio Science* journal Special Issue (16-1).

Submit your manuscript for the special issue of *Kuroshio Science* (Vol. 16, No. 1) by **30 April 2022**.

We have several manuscript types. For example,

Symposium Proceedings:

The presenters of the 14th International Kuroshio Science Symposium can submit this type of manuscript. In this manuscript type, short paper is OK from **two-page-spread** papers (printed in the journal) in addition to a full paper. We created this manuscript type to boost the presenter's submission of paper to our journal. We are waiting for your submission. For samples of published papers, see the following URL:

https://kochi.repo.nii.ac.jp/?action=repository_opensearch&index_id=576

Research Paper/Research Note:

These papers are peer-reviewed articles. Authors submit your paper as a research paper/note must suggest 4 reviewers on submission, together with their full addresses and email details. Papers without reviewer suggestions will be automatically categorized as symposium proceedings.

For details of each manuscript type, please see the "Editorial Policy and Instructions for Authors" in Vol. 14 No. 1. Do not hesitate to contact me if you have any question. Thank you in advance.
